

Fee guide for referring practices

Guide pricing for consultant anaesthetist-led sedation and team training. Final rates depend on practice location, session length and case complexity, and are confirmed with your practice before booking.

Sedation sessions

Service	Guide rate	Notes
Consultant anaesthetist-led IV sedation	£300-£350 / hour	Varies by practice location; minimum session length applies
Extended sessions (full/dual arch, multi-stage implant surgery)	Quoted per case	Based on estimated procedure length at consultation

Travel, equipment and consumables for standard IV sedation are included in the hourly rate. A confirmed quote is provided in writing ahead of every booking.

Bespoke team training

Package	Guide rate	Notes
One-hour session, single practice team	From £200	Sedation emergencies, monitoring, or IACSD/SAAD-aligned refresher content
Extended or multi-session packages	Quoted on request	Price depends on duration and audience size

How booking works

- ✓ Get in touch with your case details and preferred dates
- ✓ We confirm consultant availability and a written quote
- ✓ Patient pre-assessment is arranged ahead of the sedation appointment
- ✓ Invoicing is issued directly to the referring practice

This is a guide only and does not constitute a formal quotation. Prices correct as of 2026 and subject to review. For a confirmed quote for your practice, please contact us at info@safesedationnetwork.com or [phone]. Safe Sedation is a network of consultant anaesthetists providing intravenous sedation to dental practices across [region]. www.safesedationnetwork.com
